taken by Government in this matter, if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI ASHOK GHELOT): (a) Yes, Sir. For the development of handicrafts including carpet and darri, the objectives of the 8th Five Year Plan fire as follows: —

(i) To enhance the opportunities of income and employment from crafts as an economic activity.

(ii) To harness export potential as a measure of increasing the foreign exchange earnings of the country.

(b) and (c) The carpet industry is not facing difficulties as stated and it is evident from the increase in the exports of carpets from India during the last three years:

Years	(Rs. in crores)
1989-90	420' 08(Provisional)
1990-91	507- 00
1991-92 (April'91- -Jan' 92)	619-35

However, the following incentives have, among other supports, been provided by government to boost the exports of carpets:

(i) An Export Promotion Council for Carpets has been set up;

(ii) Concessional duty of 10 per cent on carpet grade wool as against 40 per cent on other wool;

(iii) Duty draw-back @ 3 per cent of F.O.B. value;

(iv) Pre-shipment credit for 180 days for carpets as against 90 days for other exports; and

(v) Concessional rate of interest on post-shipment credit as available to other exports.

Particulars of BICL Management's Officials
